

# Meet the Candidates in APA's 2020 Election

Voting begins on Thursday, January 2, 2020, and ends on Friday, January 31, 2020.

There are 14 candidates vying for national and Area office in this year's election. Here are their photos and, for those who would like more information about the candidates directly from them, the addresses of their personal websites. Voters may also go to [psychiatry.org/election](http://psychiatry.org/election) and use their member login information to access their electronic ballot.

To help APA members select the candidates they believe are best

qualified for office, candidates' biographical and position statements will be posted on the APA election website by the end of December at [psychiatry.org/election](http://psychiatry.org/election). A booklet containing the same information will be mailed with the paper ballots. Also, members can view videos of the candidates for president-elect, treasurer, and trustee-at-large as they respond to a series of questions posed by APA's Election Committee. The videos will be posted on the APA

election website by the beginning of the voting period.

For Area trustee, members can vote only in the race for their Area, and only resident-fellow members (RFMs) can vote for RFM trustee-elect.

Requests for replacement paper ballots must be emailed to [election@psych.org](mailto:election@psych.org) by Friday, January 17, 2020.

The deadline for online voting and receipt of paper ballots is Friday,

January 31, 2020, at 11:59 p.m. EST.

APA members wishing to campaign on behalf of a candidate are asked to review the APA Election Guidelines, which can also be accessed at [psychiatry.org/election](http://psychiatry.org/election). Those with comments or questions about the election should email them to [election@psych.org](mailto:election@psych.org).

Contact information for the candidates can be downloaded from [http://apapsy.ch/candidate\\_information](http://apapsy.ch/candidate_information). **PN**
